

Amendments to the Claims

Listing of Claims:

This listing of claims will replace all prior versions, and listings, of claims in the application:

1. (Currently Amended) A prismatic cell ~~having comprising:~~
an elongated anode having a long axis and ~~further comprising~~ a metal wire extended along said long axis;
an elongated cathode having a long axis;
a separator between said anode and said cathode, wherein said anode and cathode are folded together separated by said separator, said cell having two long sides and two narrow sides;
an anode tab attached to a first side of said anode; and
insulation tape attached to only a second side of said anode opposite said anode tab, wherein a bottom edge of said tab is above a bottom edge of said anode and a bottom edge of said insulation tape is above said bottom edge of said anode.
2. (Original) The prismatic cell claimed in claim 1 wherein said prismatic cell is folded into a spiral.
3. (Original) The prismatic cell claimed in claim 1 wherein said prismatic cell is folded in a serpentine configuration.

Application Serial No. 10/792,242
Amendment dated February 6, 2008
Reply to Office Action mailed October 30, 2007

4. (Canceled)

5. (Original) The prismatic cell claimed in claim 1 wherein said anode is lithium.

6. (Original) The prismatic cell claimed in claim 1 wherein said tape extends from about 0.15 to about 0.25 inches from said bottom edge of said anode.

7. (Previously Presented) The prismatic cell claimed in claim 1 having a metal casing wherein said casing has two long sides and two narrow sides and a bottom, and said anode tab is welded to one of said long sides of said casing.
